

RAPE OF AMERICA

Accomplished by the Democrat War Party,
With the Me-too Republican Party
"Standing By, Consenting."

By MARILYN R. ALLEN

America stands naked today, raped of all principle, honor and respect, both at home and abroad. Nobody really fears her power any longer.

Raped of her religion — Christianity — on which and by which the USA was founded and nurtured to her former greatness: Replaced by anti-christ.

Raped of her noble Constitution, by using and honoring it merely for the benefit of criminals and communists; and by-passing it in favor of the Communist United Nations Charter.

Raped of her money-power (billions) and resources of the land by unlawfully giving them to foreign nations and causes.

Rape of her White Majority-Founding race by denigrating them and stripping them of their fundamental Constitutional rights.

Rape of the Majority property rights, by confiscation, exorbitant taxation, and supporting parasites at home and abroad on their money (The government has no money, except what it takes from its citizens) and by stripping them of their right to own, manage, and dispose of their own property and business as they see fit.

Rape of her White Womanhood (as many forcible rapes as 25,000 to 50,000 annually, according to FBI figures) by organized animalistic terrorists to whom a subverted government has bowed and yielded.

Rape of America's finest young manhood, every new generation, by forcing them into unlawful, wasteful foreign wars — depriving the USA of their talents and our young women of their proper mates. This purposefully destroys our best White stock and violates Article 13, section 1 of our Constitution which forbids "involuntary servitude", especially in the service of foreign nations.

Rape of the whole country by communist-inspired labor unions which promote strikes against the public interest, create violence and destroy the peace and tranquility of the nation. These continual destructive strikes will ultimately result in complete take-over by the Communists, who have cunningly inspired and manipulated "industry-wide bargaining" and terroristic strikes for the purpose of destroying business and the prosperity of all the people. Most of the gullible goyim are too dumb, brainwashed and unsuspecting to see how they are being used to destroy their own country and welfare. As Khrushchev said: "they will bury themselves."

Rape of Constitutional Government in the USA by destroying local and state government and initiative, and substituting an all-powerful dictatorship in Washington, which governs largely by executive decree, and unlawful edicts by a political Supreme Court, which follows the U.N. Charter, not the Constitution of the United States.

Rape of Constitutional Government by racial favoritism, while pretending to be against "racial discrimination": thereby causing violent riots, death and destruction— instead of implementing President Lincoln's wise plan to reinstate the transplanted Negro in his natural habitat, Africa, where God put him in the first place, and where he belongs. "And in that day" (the horror-days which are now upon us), "... for fear of the oppressing sword, they shall turn every one to his people, and they shall flee every one to his own land." (Jeremiah 50:16). This is how "integration" will eventually end — because it is against the laws of God and man and nature.

Rape of America by purposely leaving our own country UNdefended, through sending virtually all of our trained personnel, weapons, and other supplies, 10,000 miles from home, to fight a civil war in Vietnam. We half-heartedly pretend to fight Communism in a little Asian country, across the globe, while Communist revolutionary Cuba bristles with Russian guns and missiles, as well as with foreign troops, just 90 miles from our shore. Are they there just to play tiddie-de-winks???

Rape of America by tying the hands and limiting the power of our natural protectors,

the police (just as were our armed forces in Korea, and now in Vietnam). Thus our pro-communist officials pamper and favor our internal and external enemies.

Rape of America by our so-called Christian officials, who have handed over complete domination to an alien anti-christ Organized Minority, because of the latter's financial power and control, who manipulate and devalue our money to suit their own purposes, and who exercise complete censorship over our news media.

Rape of America by "false shepherds" who are more Communist than Christian. These 'liberal' mongrelizers lead their flocks astray. "Woe be unto the pastors that destroy and scatter the sheep of my pasture, saith the Lord . . . I will visit upon you the evil of your doings." (Jeremiah 23:1,2).

Rape of our vital Panama Canal, by a new treaty which virtually turns this indispensable waterway over to Communist control, while paying them heavily.

Rape of the decent people of America by those who would deprive our people of their Constitutional right to "keep and bear arms," with which to defend their women, their homes, and themselves from just such tyrannical treason (See Art. 2 of our Constitution). After having denuded the USA of her lawful defenders, in favor of foreigners, this would be the final step to leave the people utterly helpless and defenseless. This crime against America is being promoted by President Johnson (protege of that deceiver, FDR), House Majority Leader McCormack, and other such Demos. (Demons?).

Stand fast, true Americans, for the freedom to which your native birthright entitles you, and do exploits! 'Tis but a short time until The Christ and all His Hosts come to the aid of His people, and put down His enemies. Through sorrow and suffering, America will be reborn as a White Christian Constitutional Republic.

No man escapes when freedom fails,
The best men rot in filthy jails,
And those who cried "Appease! Appease!"
Are hanged by those they tried to please!

"PUT THE BLAME WHERE IT BELONGS"

I am an American citizen and view with alarm the condition of our once free Republic. I might say that I am afraid of our future.

I am not afraid of Kosygin or the Russian people. I am not afraid of Castro or the Cuban people.

I am not afraid of Red China or of Tito or any other Communist leader in the world. I am afraid of what my President, my Senators and the Supreme Court Justices are doing to my country and want to do to me and my family.

No one but our President could agree to a unilateral disarmament plan.

No one but our Senators could give our land to the United Nations, use my money to keep subversives in office and give aid to our enemies.

No one but our Supreme Court Justices could rewrite our Constitution to please the U.N. world revolutionaries without authority or permission from any legal source.

Anyone who says the enemy is only ninety miles from our shores is mistaken as to whom the enemy is.

Your enemy is in Washington and you had better know that!

Common Sense.
